Your go-to place to read about other NRA shooting clubs, NRA programs and much more:

<https://explore.nra.org/programs/club-connection/>

Changes have been voted on regarding the number of access devices allowed per member. Please see the January meeting minutes if you were not able to attend.

Membership cards are to be worn on your person or clipped to your gun bag while at the Club.

Reminder

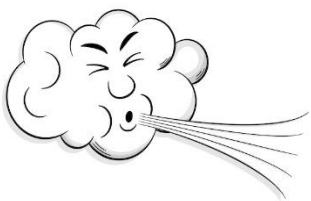

4 colors of SAGC caps are available at the monthly membership meetings.

Black, Blue, Maroon, & Green -\$8

Please be aware of people working to improve your Club. We currently have construction at the C-Bay area (concrete bays) as well as the Shotgun Shooting area, which is temporarily closed.

Concrete will soon be poured to add more C-bays, as well as to begin the remodel of the Shotgun area.

*Windy conditions and target papers left behind make for one litter-filled club. Please be sure to put **all** trash in **the** trash. Let's all keep our facility tidy.*

******Reminder******

Rotate your magazines to keep the springs in working order; especially if you keep one loaded with self-defense ammo. It is recommended that they are rotated every 6 months.

SAGC STATS

of members February 2017 – 1,127

of members February 2018 – 966

of members February 2019 – 1,244

Club membership as of January 28th, 2020 – 1466!

Have you “liked” our Facebook page?

Do you check out our website for updated news and events?

Do you get involved and help when you can?

Do you keep up with what’s going on?

Do you present ideas and suggestions?

Do you vote on proposals?

SAGC would like to thank the owner and staff at The Outdoorsman for the outstanding support and allowing use of their facility for our meetings. Check out their amazing range of supplies for shooting, hunting, and all things outdoors!

Next Membership Meeting – Tuesday, February 25th, 7:00pm, next to The Outdoorsman

An Outdoorsman gift card will be raffled for members present!

Get involved with your Club.
