

San Angelo Gun Club Newsletter Update January 2021

Hello, SAGC members. Hoping you all have enjoyed a safe, healthy, and happy holiday season and beginning to 2021.

After 4 years of providing the newsletter, I am now turning it over to our Public Relations Officer, Heather Burlison. I hope that you will continue to read and gain info from the Newsletter, as well as be supportive of Heather by providing her with info to include.

December always seems to be a quiet time for the Gun Club. No meeting, no Minutes, as well as reduced amount of time any of us get to spend out there, due to time change, weather, and the hustle and bustle of the season. However, the work has continued at your Club. Dedication from volunteers has allowed for new bays to be open, more in the process of opening, and our sign along the highway replaced. (Thanks JD Dennis, Darren Krumwiede, and Paul Redwine for the sign work.)

I ask that as you enter into 2021, you consider giving a bit of your time, energy, skills, and ideas to the Club you have ownership in. It takes all of us to ensure our Club remains truly one of the best in the state. Attending meetings keeps you in the loop of what is happening. Communication with Officers, reading meeting minutes and newsletters, and looking at our website and Facebook page informs you of volunteer opportunities. My wish is that each of you are proud of your Club and eager to pitch in. Upcoming volunteer opportunities include: Project Appleseed event (Jan 16-17), Silver Spur Gun and Trade Show (Jan 16-17) and of course, the ongoing Range Office Assistant Initiative.

I'm looking forward to seeing you at the next SAGC meeting on January 26th at 7pm.

Erica Barnes

The following gorgeous and rare photos were taken by Bill Wynne. Thanks, Bill.
