

SAN ANGELO GUN CLUB NEWSLETTER

MARCH 2017

FEBRUARY HAS BEEN A BUSY MONTH FOR OUR CLUB!

ONLINE ORIENTATION is a hit, proving to be successful. New members are using it daily. It is estimated 90% of members will eventually take advantage of the online opportunity. Club Orientation at the range has decreased to 4 times per month: 1st and 3rd Saturdays at 10:00am, and to the 2nd and 4th Thursdays at 6:00pm. You may complete your registration, pay, and complete the orientation online then pick up your key and card at the range during a range orientation--**carefully follow all instructions online**. Arrive 10 to 15 minutes early to allow time for registration, if you are doing orientation at the range!

WEBSITE www.sanangelogunclub.org is continuously being updated. It is your source for activities at the range. Please note the calendar regarding bays that are reserved for special activities. If you are planning an activity please contact Ron Herring (email is listed on the website) to note the activity and bay you will use so it may be added to the calendar. We are striving to make the website your "go-to" for all range news and activities.

RANGE COMMITTEE reports the baffle on Bay 6 in the pistol area is complete and open for business.

AEP will be running electric power from the northeast side of the retention pond to the new gate within the next 2 months. This work is being completed at no charge to SAGC. Jerry Bunyard will set the meter at no charge to SAGC. Be sure to say "thanks" when you see them working.

SAN ANGELO RODEO provided us the opportunity to present information to the crowd in the vendors building. We were at the non-profit table for 2-3 hours at a time on 4 different days. While many patrons were from out of town, many great contacts were made locally. Fliers, business cards, and candy were given out.

FRIENDS OF THE NRA BANQUET was held March 4th. Numerous members of San Angelo Gun Club were present. Below is a photo of a few of us.

PROFESSOR EDWIN CUENCO AND ASU STUDENTS are working to develop fliers, mapping, signage, and promotional material for the Club. This service is provided free of charge to non-profits and serves as an assignment for the students. They will be at the Club at various times to take photographs. If you are opposed to having your photo taken while at the Club, please notify the photographer. Names will not be used with the photos.

FACEBOOK—Our Club now has a Facebook page, thanks to Darren Krumwiede. It currently directs visitors to our website. Anyone can “Like” the page, but no one can comment on it. It was found that there are other “unofficial” Facebook pages with our name, our page will draw them under us and we will be aware what is published there. Please “like” our page.

REYNALDO MALDONADO is starting a NRA Latino Club in San Angelo. This would be a 50-round competition. Frequency of this event will be determined based on interest. One of his goals is that all participants be existing or new members of SAGC.

ASU SPORTING CLAY SHOOT, RAM RELOAD will be held on May 20th. Registration and sponsorship information is available at www.angelo.edu/services/giving/rams-reload/.

TOM GREEN COUNTY 4-H RIFLE CLUB has a gun board available at the Outdoorsman. Tickets are \$20 per square. Funds support the 4H rifle club and their activities.
