

San Angelo Gun Club Newsletter

May 2017

Members, the Club Officers invite and encourage you to get involved with your Club. One can visually see the changes taking place and there are more to come! Recent changes have not only been to the actual range, but the website, orientation, and newsletter. A Club with involved members will only improve and benefit all of us. Out of over 1,000 members, fewer than 30 attend monthly meetings. We wish to work for you and with you to make our Club more successful than ever.
