

San Angelo Gun Club Newsletter

May 2019

Should any Club-owned equipment break while in use, please do not trash it. Many times, it can be repaired at a significantly lower cost than replacing it. Leave it there & preferably contact any Club Officer to inform them.

\$\$\$ Let's use our money wisely \$\$\$

SAGC is proud to again host this successful & fun event. 2018 brought out 135 young girls and women ages 6-18. Hosting this event would be impossible without volunteers. We are hoping to have enough help to allow the same number of participants, if not more, this year. Registration is due by May 20th. This fills up fast year after year so register early. You are desperately needed. It is truly one of the most fun and rewarding volunteer opportunities we have at the Club.

Attn: Shotgun Shooters:

The Range Committee will be discussing future improvements to the shotgun area. What are your thoughts, ideas, needs, wants for this area? Please attend the May membership meeting to provide this necessary information.

Keep your Club clean. Our trash is collected weekly. We are in need of a volunteer to empty all trash cans each Wednesday. As no one has stepped up yet, please help out by emptying a trash can from the area you are shooting in. The Club Officers work diligently to keep the membership fees low. All members pitching in just a bit will prevent us from hiring this job out.

Thanks!

SAGC would like to express gratitude to the following for their continued hard work:

JERRY WILLEFORD – for developing a current map of the Club.

CHUCK DIXSON – for creating a LARGE version of this map.

(It was referred to many times during the meeting.)

BILL WYNNE – for offering to frame the map. (Or maybe he was volunteered 😊)

THE OUTDOORSMAN & DARYL PRESLEY – for continuing to allow us to use their building for meetings.

Note to Match contacts: If you would like to submit info, photos, and/or results of your match, please send to Erica Scott, SAGC Secretary, via email, within one week following the match.
