# EDUCATE YOUTH

Once again, the San Angelo Gun Club had the opportunity to educate the youth of San Angelo. Mark Emmons brought 9 International students to the Club for a fun day of shooting. Members John Redwine and Darren Krumwiede volunteered to teach the visitors about guns and assist them in shooting a 9mm, a revolver, a .22, a FAL 308, an AR, and a 1911.

The Club received photos of the students along with a Thank You card signed by each of them. Quotes from the card include:

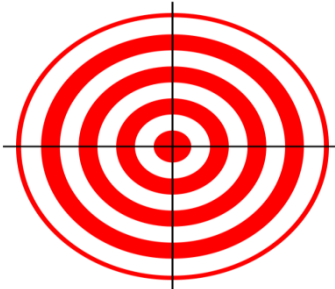

“It was a great cultural experience.”

“It was an incredible experience for all of us!”

“I enjoyed learning about gun safety and shooting different guns.”

“I was scared at first, but I have braveness now!”

“This experience made me understand America’s culture.”
