### October 2018

#### **Vice President Election - Membership Meeting - Tuesday, October 23<sup>rd</sup>, 7pm**

With Kirby Dahl being voted in as the new President, we need to officially fill the Vice President office. Both Fred Hindman and Chris Nelms have accepted nominations.

*Hello! My name is Chris Nelms and I am running for the office of Vice President of the San Angelo Gun Club. I was born and raised in San Angelo, graduated from Angelo State University and have been a member of SAGC for about 10 years. I have been on the Range Committee since its creation, and I currently serve as the Interim Vice President. I am also very proud to be one of the core group of organizers for Daughters at the Range. Since the creation of the Range Committee, my involvement in club activities has increased substantially. Appointed to represent the general membership or "casual shooters," I am honored to have played even a small part in our accomplishments to date, and I cannot wait to see how all the current and planned projects turn out. I enjoy volunteering my time and other resources to the club and would like nothing more than to continue that work and continue to serve the membership in any way I can.*

*Thank you,  
Chris Nelms*

(Attempts to obtain a statement of intent from Fred Hindman were unanswered.)

SAGC's ABRA shooting group holds a monthly competition open to all members from teens to seniors, with all ranges of shooting experience. It is a fun match full of supportive participants. Check out more info on the Club website. Come out to a match to watch, learn, and participate! Thanks to Ron Herring for the following write-up on the September match.

*What a beautiful day for a tournament at San Angelo, the weather couldn't have been nicer, nor the wind.*

*That didn't necessarily reflect in some of our scores however as can be seen by the results.*

**Allen Taylor** had the high Unlimited Senior target with a 195 on the 4th card.

**Darek Biggs** bested that in the Junior Unlimited class with 2 - 195's

**David Russell** had the high Senior Factory target with a 188 on the 5th card.

For the Junior Unlimited class, **Darek Biggs** had a 191.5 aggregate & actually would have been 2nd if he were shooting with the Seniors!

**Allen Taylor** took 1st Place in the Senior Unlimited class with a 192.167 aggregate; He took high 1st; 3rd; & 4th cards - all 190+.

**Paul Dyer** took 2nd place after a lot of futility early on and took the high 5th & 6th cards by breaking ties with **Allen Taylor**.

**Darren Krumwiede** was 3rd and took the high 2nd target with a 194.

**David Russell** took 1st place in the Senior Factory class with a 181.000 aggregate and bested **Jerry Willeford** by 1 point overall on 6 targets.

**Jerry Willeford** took the high 1st; 2nd; & 4th card with a 184; 185; & 182 and had an aggregate of 180.833 for 2nd place.

**Tom Cunningham's** consistency took him to 3rd place.

**Howard (Bud) Wilson** took the high 3rd target with a tie breaking 178 from **David Russell** & **Ron Herring** took high 6th target with a 184.

Our next ABRA match will be held on Oct. 27th. The final match for this season will be the Texas State Championship on Nov. 3rd at Boerne.

Thanks to all the participants today, I enjoyed it and I believe all who were there enjoyed it as well.

I'll see you again at the Range,

Ron Herring

Reminder: The Shotgun Range is only for shotguns with birdshot

THE UPDATES AND CHANGES CONTINUE ACCORDING TO PLAN AT THE RANGE. BE AWARE OF VOLUNTEERS WORKING ON VARIOUS BAYS.

Thankfully our drainage ponds are proving effective as San Angelo continues to see rain in the forecast! There are still, however, areas of the Club that remain muddy. Please take care when using roads and bays that take longer to dry out.
