

San Angelo Gun Club Newsletter

October 2017

*Members, we hope you are sharing in the excitement of all the improvements being made at your Club. It is only through the volunteer efforts of many that such positive changes are possible. We encourage you to **get involved** and make a difference. Interested in volunteering? You may contact any Officer and/or watch for events on the Newsletters and the website calendar.*

.22 Two Gun Fun Match

Join us Saturday, November 4th for a day of shooting. Targets will include cardboard and reactive steel. The shoot will take place in 3 to 4 different bays, all set up with strategically placed targets. Sign in begins at 8am and the shooting begins at 9am. Admission to this shoot is only \$10, with \$9 of that being donated to charity. These matches are designed for all experience levels and prizes will be given. Come out and have a "blast" with your fellow gun club members.

The updates and changes continue according to plan at the Range. The old road has now been closed and berms for the 500-yard bay are being raised. New pistol bays will begin to take form next to the entrance gate and new road. Many volunteers will be needed in the construction of the bay walls. Please contact any officer and help with this effort. .

Volunteering

We need your help! As our Club grows, so does the need for volunteers. It's a great way to get involved and meet and network with fellow shooters and members. We currently have

a need for assistance with Orientations, set up and take down for the .22 fun match, and creating the new walls for the future pistol bays. Please contact any Officer and let's get you involved!

The Gun Club's website has been revamped and improved and contains more info than ever. Check it out, bookmark it, and view it often to stay current on your Club's activities.

Legislative Update: A bill was passed to reduce the handgun license application fees. This applies to renewals as well. The initial application fee was reduced from \$140 to \$40. Renewal fees were lowered from \$100 to \$40. SAGC has members that teach LTC classes as well as pistol instruction classes. They are listed on our website. Contact them for more information and class schedules.
